VOLUNTEER TRAINING

There are two courses to complete: six lessons in the Wordless Book Training and ten lessons in the Good News Club Quick Start Training. This is about six and a half hours of training. So, pace yourself. It is best to approach your training with an attitude of *what can I learn and bring a blessing to the children* instead of an attitude of *just getting it done*. The training is excellent and will help you to be a successful volunteer. *All Volunteers must complete all courses.*
