

Summer 2023

Child Evangelism Fellowship of Indiana Southeast Chapter

Double Summer Outreach

God opened the door to reach DOUBLE the children from previous year!

This summer our teams of Summer Missionaries were able to share the GOSPEL with more than 750 children. That doesn't even include the parents and families that were listening on the side! Twenty-four children believed on Jesus as their Savior, praise God!! Ministry was held in over 40 different locations in our local area. Neighborhood parks were a new opportunity for us. The parks were a great place for the Summer Missionaries to hold several "Open Air" events. Open Air ministry is similar to street evangelism. The missionaries had beads that were the colors of the Wordless Book. They would invite kids over to have snacks and make cool bracelets. The Gospel was shared using the colors of the beads! Close to 80 children heard the gospel through making simple bracelets!

Increase through Church Partnerships

The blessing of church partnerships was so important to this increase. We were able to connect our 15 Summer Missionaries with churches that hosted 5 Day clubs! The missionaries would teach 2-3 clubs during the day and in the evenings teach at VBS's or at a County Fair! Their level of teaching this year was outstanding, and the churches we partnered with were a great blessing.

Summer Financial Shortfall

Summer Missionaries raise financial support for training and for Summer Ministry (5 Day Clubs, VBS, Open Air, Party Clubs, Camp). This year we are experiencing a shortfall of \$10,000 in the amount raised. Would you prayerfully consider supporting the Summer Missionaries by donating to help fill the gap? Thank you for prayerfully considering this need. If God leads, you can mail a check or go to our website to donate online. www.cefseindiana.com

Party Clubs

Summer Missionaries were also trained to teach *Watermelon Party Clubs*! The Party Clubs were held at daycares and churches. Over 50 children heard the gospel through Party Clubs! Did you know there's a "secret" in the watermelon? If your church would like to find out this secret, contact Lindsay to schedule a Party Club! Right now, is the time to schedule Fall and Christmas Party Clubs!

The fun is not over ...

Party Clubs will continue for the next few months, but many existing and NEW Good News Clubs will start across Southeast Indiana! This fall we are excited to partner with new churches to start new Good News Clubs in public schools! God has blessed us with open doors into the schools. Is God calling your church to GO? We would love to share with we can partner with your church. It is the will of the Father that not one of these little ones would perish. How will they know if we don't go? A Good News Club? Contact Bridget for more details!
