IT'S TIME TO CELEBRATE

A favorite song of the children is "CELEBRATE." The song says "Come on, people, now don't be late. It is time to celebrate." The song celebrates God's love for us. We are excited to celebrate with you the blessings God has shown in a quick glimpse of 2025. It has been an amazing year of children hearing the GOSPEL and growing in their faith. This has truly been a year of growth and worthy of celebration and praising God for what only He can do. You will see in the charts below the growth in children reached, staff, training and fundraising.

Multiplication Through Training

Early this spring Lindsay and Micky, along with additional staff from across the state, attended training in our Southeast Training Center. The training was an instructor-level course. Each student completed the two-week course. They are now teaching TCE™ 1, our college level course (Teaching Children Effectively™).

The course began in November with 9 students. We celebrate that more children will be reached through this level of training. The students have commented on how much they have already learned. They can now confidently share the Gospel. Soon the students will work on memory verses and teaching Bible lessons.

Go and Tell!

Go and Tell is all about training children to share the GOSPEL with other children. In October, ministry coordinator Gretchen Hendricks, with the help of other staff, led our first ever Go and Tell camp. It was a huge success, and we cannot wait for the next one. The week after the camp we received a note from one of the students' moms; she told us of how her daughter was able to confidently share the gospel with another child on her school bus! This is news we can celebrate!

LOCAL DIRECTOR UPDATE

It is truly a joyful celebration to see what God is doing right here in the local ministry of CEF. I am honored to lead our amazing staff that has grown by two this year. We have welcomed Isaac Shaw and Brianna Phillips as part-time Ministry Coordinators. We are also excited that we need to hire additional part-time and one full-time Ministry Coordinator next year. God has increased giving through the expansion of the 5K this year. What a blessing that \$37,000 was raised.

Thank you for praying for us as we celebrate the children that will hear the gospel in 2026.

End of Year Giving Opportunity

Our need is \$12,000 (above regular giving) by Dec 31 to end the year in the black! Thank you for prayerfully considering a special year end gift.
